Absolute wealth

Serial Number 220
October 2021

Almighty resides in each and every particle of the universe. Understand this and give everyone unconditional and selfless love. Protect any and every, small or big living creature in this world. Be careful not to harm or hurt them.

Worldly possessions are not true eternal wealth. True wealth is the stream of love flowing from the treasures of the heart. Noble pure thought and pious character is the only true ultimate wealth.

Even though one might be poor and needy like Sudama, but one who possesses virtuous wealth in the form of conscience, wisdom, faith, pious character, and devotion to god is the only real rich man.

One of the rules of the Father of the Universe, is that every living being that is born, will have to give up all the riches one day and leave the world with empty hands.

Wealth in the form of pious deeds will always be with us as our destiny. Let us serve and help the needy with the body, mind and wealth and give them selfless love to receive the certificate of blessings of supreme.

Let's develop the chance to make our life divine, simple, easy, and faithful. That is the true service.
