Religious Peak

Serial Number 221
November 2021

In order to reach the religious peak, one should adorn and ornate one's life with the ornaments of virtue.

Love and self-esteem, faith in oneself are the gateway to virtues.

To be able to reach the zenith of religion, one must assimilate the three main tiers of one's life.

1. The first step is to develop enormity of one's heart, sensitivity, tolerance and forgiveness.

2. In the second step, cleanliness, purity, and well-being of body and mind, determination to fulfil one's goal with self-reliant and virtuous thoughts and behaviour. The pious soul is always simple, instinctive, happy, Yogi and helpful (always serving the needy).

3. In the third step, the personality of a pious person should be gentle. Tolerance and forgiveness are woven into his nature. The inner and outer personality of a pious person is the same. Selflessness and morality become the ornaments of his personality.

One must adorn their lives with virtues, to be able to become the beloved, affectionate, and near to God (ॐ नमो भगवते वासुदेवाय), who is seated on the religious peak.
